

ABOUT SEATUC SYMPOSIUM

The 8th SEATUC Symposium will take place from 4th–5th March 2014 at Universiti Teknologi Malaysia, Johor Bahru, Malaysia. This international Symposium will be an opportunity for prominent researchers, engineers and practitioners who serve as faculty members of SEATUC member universities to present the latest research in any of the following fields:

- **OS01:** Energy, Environment and Earth System Science
- **OS02:** Information and Communication Technology
- **OS03:** Architecture, Urban Planning and Design
- **OS04:** Bioscience, Biological and Engineering Science
- **OS05:** Robotics and Mechanical Engineering
- **OS06:** Materials Science and Engineering
- **OS07:** Basic Science
- **OS08:** Transportation Engineering
- **OS09:** Applied Mathematics and Informatics
- **OS10:** Electrical Engineering
- **OS11:** Electronics and Telecommunications

Paper Submission:

The paper submission has to be made through the international office of the university where the applicants belong. The individual submission is not accepted. Four pages are allowed for each paper and should be submitted electronically in Word file format. (Please ask International Office of applicant's home institute for detailed format)

Paper Publication:

The submitted original papers are formed into proceedings and subject to be officially published by acquiring ISBN (International Standard Book Number). Therefore, please consider about the paper's copyright.
